2006 Pinot Noir

Top Picks

Deep ruby red and distinctly varietal with fragrant rosehip and spiced mint, this pinot noir is complex with liquorice and spiced black cherry flavours. Earthy, savoury tones add interest and subtle oak adds structure and length. The palate is strongly textured and well balanced with generous fruit weight.

2006 `For Elsie' Pinot Noir Rosé

Sally Gudgeon

A stunning new release from the Adelaide Hills. Made from pinot noir, its cherry and strawberry aromas smell of summer. It's dry on the finish, with 12 per cent alcohol. Match it with crayfish.

2006 Sauvignon Blanc

Winemaker Sarah Fletcher has been quick out of the blocks with her latest creation, a brash and bold sav blanc not long out of its fermentation tank. In terms of aroma and flavour, Sarah has deftly rounded up the usual suspects, including passionfruit, guava, nectarin, lemon and lychee, and the mix works a treat; a dashing young sauvignon, at least as good if not better than the average Kiwi at this price.
